Oct./Nov 2020

Welcome

Welcome to our 2020/2021 season. As we have experienced for most of 2020, this will be an unusual season, but we will try our best to normalize it the best we can to make this dance season an enjoyable one for parents and students. We are offering virtual and in-person classes. Some things that we were able to do in the past we may not be able to do, or we are going to be revamping them to make them safe and CDC compliant with the ever changing guidelines. Please know that we always take the dancers best interest at heart. Although we have been at this for about 7 months now, there are still kinks to be worked out as things change day by day. We thank you in advance for your patience and understanding through it all. Because, like we have in the past, we will get through it TOGETHER and we always wind up coming out on top.

Payments

Payment #1 is now due. Monthly payments are due on the first of the month. A \$10 late fee will be applied to your monthly fee after the 5th of the month. Reminder, you can pay your monthly payment online on our website at www.PremiereDancePA.com, Cash App at \$PremiereDancePA, or in studio. Please be sure to put your child's name in the memo/subject line of your payment.

Parent's Meeting

Especially their leotard, tights and shoes.

PDA Elite News

PDA Elite company members, please check your email for information regarding when rehearsals are starting back up. Mrs. Amber is also sending out important information regarding upcoming virtual and recorded performance opportunities.

Early Drop Off/Late Pick Up

Please be prompt when picking up and dropping off students. Any student not picked up 5 minutes after class has ended will be charged a late fee of \$2 per minute. This fee will be added to your account. No student should arrive more than 5 minutes before their class starts.

Krispy Kreme Fundraiser

We will be having a Krispy Kreme fundraiser in the month of November. Ebony and Lee will be giving out more information on that during our parent's meeting on November 10th.

COVID Cleaning

Parent's, please keep in mind that we have allotted time for cleaning in between classes. This is a time where we want to focus on sanitizing the dance studio thoroughly. We know that there are some cases where some dancers will be here while we are cleaning because they have back to back classes, but we are asking that you drop your child off no more than 5 minutes before their class starts. If you see that some children are already here, they've probably had class and we have accommodated for them to be here. The less people, the better while we are cleaning.
